

Lost In Thought

ISSUE EIGHT—7 JUNE

THEME: THE SEASIDE

Treasure Hunt!

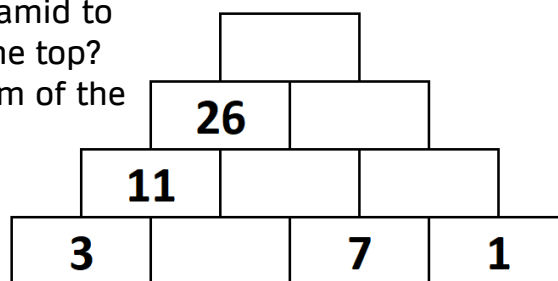

AAARGHHH!
I've lost me
valuable
booty! I know
it be
somewhere
upon this
island, but I
cannot remember which square!
Maybe these clues can help ye
remember for me!

- ⇒ I remember the square had water in it, in case I needed to make a quick escape
 - ⇒ It also had at least one tree in it, for good hiding places
 - ⇒ There were no mountains in the square, as that is hard to walk through!
 - ⇒ It isn't in a square next to or diagonally from a ship—that would be too easy!
- Have ye figured it out yet?

Build a sandcastle!

Can you fill in the pyramid to find the number at the top?
Each number is the sum of the two below it.

What are the strongest animal at the beach?
The mussels!

Did you know?
The world's tallest sandcastle was 16.68m high!
