

## Zygolex®

This is a word connection puzzle. The words next to each other can be connected in 3 ways:

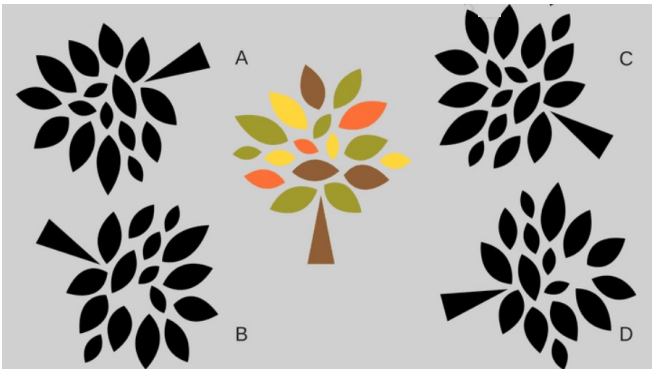

- RHYME (red dots) - the words connected rhyme
- LETTERS (green dashes) - the words are one letter different (e.g. ACT and ART)
- MEANING (blue line) - the words have a similar meaning

The numbers show the length of the word in that box.

Can you work out the middle nature-related word?

Which shadow matches the centre tree?

**Did you know?**  
The dead sea is 35% salt—more than 10 times that of normal oceans!

## **LAST ISSUE'S ANSWERS**

**The cog turns in the  
direction A — Clockwise**

**The code is 270.**
